When Marco did this course last July, it was a brilliant experience. The teachers made every lesson interesting and fun and I enjoyed every minute. To be honest I used to be very nervous When I spoke in English especially when I spoke in class. However, after this course, I feel much more confident and I 've been working on my speaking skills ever since. I 've attended many English courses before but never in an English speaking country! It was great because I could practise the language outside the classroom too.
