.....

Listening text**Module 5**

We all know that there is a lot of water on Earth, right? That's why Earth is also called the Blue planet. In fact, the surface of our planet is covered by 70% of Earth's water in its ocean. Today, there are about eight billion people living on Earth

Listening text**Module 6**

Lizzie is really into making jewelry. She always uses natural materials so everything she makes is completely different. She loves using the imagination to create the designs. Her aunt makes jewelry with gold and silver. Lizzie wishes that she knew that too, but it needs special skills and equipment. Hopefully Lizzie's aunt will teach her one day.

Listening Text:**Module (7)**

Hingsworth was hit yesterday by the worst flood in the town's history. Although small floods are common in the area, yesterday's was especially bad because of last summer's wildfires. Huge flames destroyed the forest area around the town and new trees haven't been planted yet. As a result, the heavy rain that fell caused the nearby river to overflow. By late evening, most of the streets were covered in water.
